2.1 Purchase and Sale of Acquired Assets; Excluded Assets; Assumed Liabilities; Excluded Liabilities.

(a) In accordance with, and subject to, the provisions of this Agreement, at the Closing, Seller will sell, transfer, convey, assign, deliver and set over to Buyer, and Buyer will purchase and accept, all of the right, title and interest of Seller in, to and under the Acquired Assets free and clear of all Liens other than Permitted Liens, which will be effected and evidenced pursuant to the Bill of Sale. Notwithstanding anything to the contrary in this Agreement, the transfer of the Acquired Assets will not include the assumption of any Excluded Liability or any Liability relating to the Acquired Assets unless Buyer expressly assumes the same pursuant to Section 2.1(c).

(b) Notwithstanding anything to the contrary contained herein, the Acquired Assets do not include, and in no event will Buyer acquire any right, title or interest in, to and under any of the Excluded Assets.

(c) In accordance with, and subject to, the provisions of this Agreement, at the Closing, Buyer will assume and agree to pay, perform and discharge and hold Seller harmless from the Assumed Liabilities (but only the Assumed Liabilities). The assumption of the Assumed Liabilities by Buyer will be effected and evidenced pursuant to the Assignment and Assumption Agreement. Seller will retain and will be responsible for all Excluded Liabilities, will pay, perform, and discharge each Excluded Liability in a timely and efficient manner and will hold harmless Buyer Indemnified Parties from all Excluded Liabilities.

(d) Notwithstanding anything to the contrary contained herein, the Assumed Liabilities will not include, and in no event will Buyer assume, be required to pay, perform, discharge or hold a Seller Covered Party harmless from any Excluded Liabilities.

2.2 Purchase Price¹.

(a) Subject to the other terms and provisions of this Article II, the aggregate purchase price to be paid by Buyer to Seller in consideration of the Acquired Assets, shall be as follows, subject to adjustment as provided in Section 2.3 (the "Purchase Price").

(i) Eight Hundred Fifty Thousand and No/100 Dollars (\$850,000) payable to Seller in cash in accordance with subsection (b) below (the "Cash Portion of the Purchase Price");

(ii) a subordinated secured promissory note in the original principal amount of Three Million Two Hundred Thirty Thousand and No/100 Dollars (\$3,230,000) in the form attached hereto as Exhibit E (the "Seller Note"), which Seller Note will be secured by a pledge of a 59% economic interest in Buyer pursuant to a Security Agreement in the form attached hereto as Exhibit F (the "Security Agreement");

(iii) a 25% common membership interest (with a \$0.00 capital account balance at the time of issuance) in Baymark ACET Holdco, LLC, a Texas limited liability company ("Holdco") (the "Equity Interest"), as more specifically set forth in that certain Company Agreement of Holdco (the "Company Agreement").

(iv) Buyer's assumption of the Assumed Liabilities.

(b) At the Closing, Buyer will pay to Seller the Cash Portion of the Purchase Price by wire transfer of immediately available funds, as follows:

(i) Buyer will pay, on Seller's behalf, and as agreed by Buyer and Seller, the aggregate amount required to pay in full all of the Indebtedness of Seller (including but not limited to that evidenced by the payoff letters delivered to Buyer pursuant to Section 6.2(g), if any); and

(ii) Buyer shall pay to Seller, an amount equal to the Cash Portion of the Purchase Price less those amounts paid on Seller's behalf pursuant to subsection (i) above, if any.

2.3 Purchase Price Adjustment.

(a) On or before the expiration of ninety (90) days following the Closing Date, Buyer will deliver to Seller Representative a statement (the "Closing Statement") setting forth a calculation of the Closing Date Net Working Capital for Seller. If Seller

¹ NTD: It is a condition to Closing that at least \$200,000 be on Seller's balance sheet and included in the Purchased Assets.

Representative has any objections to the Closing Statement as prepared by Buyer, Seller Representative must, within thirty (30) days after Seller Representative's receipt thereof, give written notice (the "Notice") to Buyer specifying in reasonable detail such objections and Seller Representative shall provide Buyer and its accountants and other representatives with access to the properties, books, records, work papers and personnel of Seller and their accountants, and shall cause the same to cooperate and work in good faith with Buyer for purposes of resolving any differences. If Seller Representative does not deliver the Notice within such thirty (30) day period, Buyer's determination of the Closing Statement shall be final, binding and conclusive on Seller and Buyer. With respect to any disputed amounts, Seller Representative and Buyer shall negotiate in good faith during the thirty (30) day period (the "Resolution Period") after the date of Buyer's receipt of the Notice to resolve any such disputes. If Seller Representative and Buyer are unable to resolve all such disputes within the Resolution Period, then, within five (5) business days after the expiration of the Resolution Period, all disputes shall be submitted to Whitley Penn, LLP (the firm that prepared the Quality of Earnings Report) (the "Accountant"), who shall be engaged to provide a final and conclusive resolution of all unresolved disputes as promptly as practicable after such engagement. Buyer, Seller and Representative agree to execute a reasonable engagement letter if requested by the Accountant. The Accountant shall determine only those issues that remain in dispute. In resolving any matters in dispute, the Accountant may not assign a value to any item in dispute greater than the greatest amount for such item assigned by Buyer in the Closing Statement, on the one hand, or Seller Representative in the Notice, on the other hand, or less than the smallest amount for such item assigned by Buyer in the Closing Statement, on the one hand, or Seller Representative in the Notice, on the other hand. The Accountant's determination will be based solely on written submissions by Buyer and Seller Representative (i.e., not on the basis of an independent review) and in accordance with the guidelines and procedures set forth in this Agreement. The Accountant's determination shall be set forth in a written report which shall include an explanation of the reasons for its determination on each matter in dispute and shall be final, binding and conclusive on the parties, absent manifest error, which report will be delivered to Seller Representative and Buyer within thirty (30) days after submission of such dispute to the Accountant. Buyer and Seller Representative agree that the procedures set forth in this Section 2.3(a) for resolving disputes with respect to the Closing Statement shall be the sole and exclusive method for resolving any such disputes. The fees and expenses of the Accountant shall be allocated by the Accountant within its written report between Seller and Buyer based on the aggregate percentage that the portions of the contested amounts not awarded to each party bear to the aggregate amounts contested by such party, and each party shall bear its own other expenses in connection therewith, including its attorneys' and accountants' fees.

(b) Upon the final determination pursuant to Section 2.3(a) of the actual Closing Date Net Working Capital, the Cash Portion of the Purchase Price shall be adjusted as follows:

(i) If Closing Date Net Working Capital is equal to the Net Working Capital Target, then there shall be no further adjustment to the Purchase Price based on Closing Date Net Working Capital.

(ii) If Closing Date Net Working Capital is greater than the Net Working Capital Target, then Buyer shall pay to Seller Representative an amount equal to such difference (the “Buyer W/C Amount”) in accordance with Section 2.3(c).

(iii) If Closing Date Net Working Capital is less than the Net Working Capital Target, then the Seller Note shall be amended to reduce the principal amount thereof by an amount equal to such difference. Each of Buyer and Seller shall take such action as required to evidence such amendment of the Seller Note.

(c) The first \$180,000 of the Buyer W/C Amount shall be paid in nine (9) equal monthly installments with the first such payment being due and payable on the last day of the calendar month following the determination of the Buyer W/C Amount and each successive payment being due and payable on the last day of each of the 8 calendar months thereafter. If the Buyer W/C Amount exceeds \$180,000, then the Seller Note shall be amended to increase the principal amount thereof by an amount equal to such excess. Each of Buyer and Seller shall take such action as required to evidence such amendment of the Seller Note. This subsection (c) is not intended to imply that the Buyer W/C Amount will be less or more than \$180,000. Buyer may prepay without penalty or fee any or all of the aforementioned monthly installments of the Buyer W/C Amount.

2.4 Purchase Price Allocation. Buyer and Seller agree that the Purchase Price (and any Assumed Liabilities and other capitalized costs) shall be allocated among the Acquired Assets in accordance with their fair market values and useful lives consistent with Section 1060 of the Code, as such allocation shall be mutually agreed to between the Seller and Buyer for all tax purposes as set forth on Exhibit G (the “Purchase Price Allocation”). Following the final determination pursuant to Section 2.3(a) of the actual Closing Date Net Working Capital, Buyer shall prepare and deliver Internal Revenue Service Form 8594 to the Seller for its review, which shall be consistent with Exhibit G attached hereto. Upon the agreement of all parties as to the Form 8594, it shall be timely filed with the Internal Revenue Service by all parties and Buyer and Seller shall file all Tax Returns in a manner consistent with such allocation.

2.5 Assets Incapable of Transfer. To the extent that any Transferred Contract or Permit is not assignable or transferable without the consent of another Person, this Agreement will not constitute an assignment or transfer thereof, an attempted assignment or transfer thereof, or an agreement to effect such an assignment or transfer, if such assignment or transfer, attempted assignment or transfer, or agreement would constitute a breach thereof and the same shall not constitute an Acquired Asset until such time as such consent is obtained, if ever. Seller will use commercially reasonable efforts to obtain the consent of such other Person to the assignment or transfer of any such Transferred Contract or Permit to Buyer in all cases in which such consent is or may be required for such assignment or transfer. Buyer will, without incurring any additional cost or expense, cooperate with Seller in its efforts to obtain such consents. Seller will cooperate with Buyer in Buyer’s efforts to obtain any Permits and agree to take such commercially reasonable actions as necessary to assist Buyer in obtaining the Permits. If any such consent will not be obtained with respect to a Transferred Contract or

Permit, Seller will use its commercially reasonable efforts to provide an alternate arrangement, including, without limitation, subcontractor agreements, satisfactory to Buyer designed to provide to Buyer the full economic benefits intended to be assigned or transferred to Buyer under the relevant Transferred Contract or Permit. Without limiting the generality of the foregoing, the beneficial interest in and to the Transferred Contracts or Permits, to the fullest extent permitted by the relevant Transferred Contract or Permit, will pass in full to Buyer.

ARTICLE III REPRESENTATIONS OF SELLER

Seller hereby represents and warrants to Buyer that the statements contained in this Article III are true and correct as of the date hereof, subject to the qualifications and exceptions set forth in the applicable section of the disclosure schedule provided by Seller to Buyer (the “Disclosure Schedule”). All Section headings in the Disclosure Schedule correspond to the Sections of this Agreement; provided that any information contained in any Section of the Disclosure Schedule shall constitute disclosure for purposes of any other Section of this Agreement where such disclosure is incorporated by specific reference.

3.1 Existence and Good Standing. Seller is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Texas. Seller has all requisite limited liability power and authority to own, lease and operate its properties and to carry on its business as now being conducted, and Seller is duly qualified or licensed to do business, and is in good standing or full force and effect, as the case may be, in the jurisdiction in which the character or location of the property owned, leased or operated by it or the nature of the business conducted by it makes such qualification necessary. A list of all such jurisdictions in which Seller is qualified or licensed to do business is set forth on Section 3.1 of the Disclosure Schedule. Owner is the only beneficial owner of Seller, is the only member of Seller, and no other Person has any interest in or an option, warrant or other right to acquire an interest in Seller or in the Acquired Assets (other than Buyer).

3.2 Authorization and Binding Obligation.

(a) Seller has all necessary power and authority to execute and deliver this Agreement and each of the Related Agreements to which it is a party and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement by Seller and each of the Related Agreements to which Seller is a party and the consummation by Seller of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of Seller. This Agreement has been duly executed and delivered by Seller and, assuming the due authorization, execution and delivery by the other parties to this Agreement, constitutes a legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms (subject to applicable bankruptcy, insolvency, moratorium, reorganization or similar laws affecting the rights of creditors generally and the availability of equitable remedies).

(b) Owner has all necessary power and authority to execute and deliver this Agreement and each of the Related Agreements to which he is a party and to consummate the transactions contemplated by this Agreement and by the Related Agreements. This Agreement has been duly executed and delivered by Owner and,

assuming the due authorization, execution and delivery by the other parties to this Agreement, constitutes a legal, valid and binding obligation of Owner, enforceable against Owner in accordance with its terms (subject to applicable bankruptcy, insolvency, moratorium, reorganization or similar laws affecting the rights of creditors generally and the availability of equitable remedies).

3.3 No Violations; Approvals. The execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement and compliance with the provisions of this Agreement will not conflict with, or result in any breach, violation of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination or acceleration of any obligation or a loss of any rights under, or result in the creation of any Lien upon, any of the Acquired Assets under, (a) the Organizational Documents of Seller, (b) any Contract, Permit, or other agreement applicable to Seller, Owner or its respective properties or assets, or (c) subject to the governmental filings and other matters referred to in the following sentence, any Applicable Laws. No consent, approval, order or authorization of, or registration or filing with any Governmental Authority or any Person is required by or with respect to Seller or Owner in connection with the execution and delivery by Seller or Owner of this Agreement and the Related Agreements or the consummation by Seller or Owner of the transactions contemplated by this Agreement, except for those described on Section 3.3(a) of the Disclosure Schedule. As of the Closing Date, Seller has obtained the requisite consent of those Persons who are counterparty to the Contracts set forth in Section 3.3(b) of the Disclosure Schedule. After the Closing Date, Seller and Owner will undertake good faith efforts to obtain the requisite consent of those Persons listed in Section 3.3(c) of the Disclosure Schedule.

3.4 Financial Statements. Section 3.4 of the Disclosure Schedule sets forth true and correct copies of (i) the unaudited balance sheet of Seller as of December 31, 2014, December 31, 2015 and December 31, 2016, together with the related statements of income and members' equity and statements of cash flow for the fiscal years then ended (collectively, the "Annual Financial Statements") and (ii) the balance sheet of Seller as of May 31, 2017 (the "Balance Sheet Date") together with the related statements of income and cash flow for the five month period then ended (collectively, the "Most Recent Balance Sheet" and, together with the Annual Financial Statements, the "Financial Statements"). The Financial Statements (x) are true, complete and correct in all material respects and fairly present in all material respects the financial condition and results of operations, and cash flow of the Business at and as of the dates thereof and for the periods covered thereby, (y) were prepared in accordance with generally recognized accounting principles consistent with past practices of Seller, and (z) were compiled from books and records regularly maintained by management of Seller used to prepare the financial statements of Seller. Seller has no Liability (whether known or unknown, accrued, absolute, contingent, unliquidated or otherwise, whether due or to become due and regardless of when asserted), other than (A) Liabilities set forth on the Most Recent Balance Sheet (rather than any notes thereto), (B) Liabilities which have arisen after the date of the Most Recent Balance Sheet in the Ordinary Course of Business (none of which is a Liability resulting from breach of contract, tort, infringement, claim, lawsuit, Product Liability Obligations, Recall Obligations, Warranty Obligations, violation of Applicable Law or Environmental Liability), and (C) obligations of Seller pursuant to Material Contracts set forth on Section 3.7 of the Disclosure Schedule or other Contracts not required to be disclosed on

such Schedule (none of which is a Liability resulting from breach of contract, tort, infringement, claim, lawsuit, Product Liability Obligations, Recall Obligations, Warranty Obligations, violation of Applicable Law or Environmental Liability).

3.5 Absence of Certain Changes. Except as set forth on Section 3.5 of the Disclosure Schedule or as otherwise contemplated by this Agreement, since the Balance Sheet Date through and including the date of this Agreement, Seller has operated only in the Ordinary Course of Business in all material respects, there has not been an event, occurrence or development that has had, or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and Seller has not:

- (a) sold, leased, transferred or assigned any assets, tangible or intangible, outside the Ordinary Course of Business, or acquired any material assets, except for acquisitions of Inventory, equipment, parts and supplies in the Ordinary Course of Business;
- (b) entered into any Contract outside the Ordinary Course of Business;

- (h) entered into any employment Contract or collective bargaining agreement, written or oral, or modified the material terms of any existing such Contract or collective bargaining agreement;
- (i) granted any increase in the base compensation of any of its managers, director, officers and employees outside the Ordinary Course of Business;
- (j) adopted, amended, modified or terminated any bonus, profit sharing, incentive, severance or other plan, contract or arrangement for the benefit of any of its directors, officers and employees outside the Ordinary Course of Business or except as required by Applicable Law;
- (k) made any other change in employment terms for any of its directors, officers and employees outside the Ordinary Course of Business;

(l) made any change in Seller's accounting principles or practices or their method of application of such principles or practices;

(m) made, changed or revoked any Tax election or accounting method of Seller, failed to file any Tax Return required to be filed by Seller in a timely manner with the appropriate Tax authorities or to pay any Taxes shown to be due thereon, settled a claim or assessment with respect to Taxes, executed a closing agreement or similar agreement with respect to Taxes, or executed a waiver of a statutory period of limitations with respect to the assessment or collection of Taxes; or

(n) agreed, in writing or otherwise, to take any of the actions specified in paragraphs (a) through (m) above.

3.6 Title to Properties. Seller has good and marketable title to all of the Acquired Assets and the right to use and to transfer and assign to Buyer all Acquired Assets, in each case free and clear of all Liens except Permitted Liens. At the Closing, Buyer will receive good and marketable title to all of the Acquired Assets transferred to it free and clear of and from all Liens except Permitted Liens. All of the Tangible Property, including without limitation the machinery and equipment material to the operation of the Business, as of the Closing, are in good working condition and repair (allowing for ordinary wear and tear) and are adequate for the purposes for which they are being used in Seller's normal business operations. The Acquired Assets, including, without limitation, the machinery and equipment included in the Acquired Assets, constitute all of the assets and property now used in and necessary for the conduct of the Business as presently conducted. Except as set forth in Section 3.6 of the Disclosure Schedule, to the Knowledge of Seller, none of the machinery and equipment is out of service or not in use and none are subject to deferred maintenance that will not be complete as of the date of this Agreement. The Acquired Assets will enable Buyer to operate the Business immediately after the Closing in the same manner as operated by Seller immediately prior to the Closing. None of the Excluded Assets are material to the Business.

(a) Section 3.7 of the Disclosure Schedule contains true and correct lists of all of the following Contracts to which Seller is a party categorized on the Disclosure Schedule by the subsections listed below ("Material Contracts"):

(b) True and correct copies of each Contract listed in Section 3.7 of the Disclosure Schedule or required to be listed in Section 3.7 of the Disclosure Schedules have been delivered to Buyer. Each Material Contract is in full force and effect, is fully assignable to Buyer without the consent of any third party, except as set forth on Section 3.3 of the Disclosure Schedule, and is valid, binding and enforceable in accordance with its terms as to Seller and, to the Knowledge of Seller, the other parties to such Material Contract. Seller has performed and is performing, in all material respects, all obligations required to be performed by Seller under the Material Contracts. No default exists (or, solely as a result of the consummation of the transactions contemplated hereby, is likely to arise) on the part of Seller or, to the Knowledge of Seller, on the part of any other Person under any of the Material Contracts. Seller has not assigned, delegated or otherwise transferred any interests in any Material Contract. There are no disputes pending, or to the Knowledge of Seller, threatened under any Material Contract.

3.8 Litigation. Section 3.8 of the Disclosure Schedule contains an accurate description of each lawsuit, arbitration, notice of violation, pending enforcement proceeding or other legal proceeding to which any Seller Party is currently or, since January 1, 2014, has been a party. Except as set forth on Section 3.8 of the Disclosure Schedule, there is no action, suit or proceeding at law or in equity or any arbitration, administrative or other proceeding by or before any Governmental Authority pending, or, to the Knowledge of Seller, threatened,

against any Seller Party. There is no claim, action, suit or proceeding pending or, to the Knowledge of Seller, threatened against any Seller Party by or before any Governmental Authority that would have or would reasonably be expected to impede the ability of any Seller Party to complete the transactions contemplated by this Agreement. There are no outstanding orders or judgments affecting or relating to any Seller Party or the Acquired Assets.

3.9 Taxes.

(a) Except as set forth on Section 3.9(a) of the Disclosure Schedule, Seller has filed all Tax Returns that it was required to file, such Tax Returns are true, correct and complete in all material respects and Seller has paid all Taxes due and owing as set forth on such filed Tax Returns. Seller has not been delinquent in the payment of any Tax, nor is there any Tax deficiency outstanding or assessed against Seller.

(b) Section 3.9(b) of the Disclosure Schedule lists all federal and state income Tax Returns (and narratively describes all Tax Returns filed with any city or municipality) filed with respect to Seller for taxable periods ended on or after December 31, 2014, indicates which of those Tax Returns have been audited, and indicates which of those Tax Returns currently are, as of the Closing Date, the subject of audit.

(c) Seller has not waived any statute of limitations in respect of Taxes or agreed to any extension of time with respect to a Tax assessment or deficiency.

(f) There is no dispute, claim, audit, or other proceeding concerning any Tax liability of Seller pending or, to the Knowledge of Seller, threatened or proposed. There are no Tax rulings, requests for rulings, or closing agreements relating to Seller that could affect the liability for Taxes of Buyer or Seller for any period (or portion of a period) after the Closing Date. There are no Tax deficiencies of any kind assessed against Seller with respect to any taxable period ending on or before the Closing Date.

(g) The unpaid Taxes of Seller did not, as of the date of the Most Recent Balance Sheet, exceed the reserve for Tax liability (rather than any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the face of the Most Recent Balance Sheet, and will not exceed that reserve as adjusted in the Ordinary Course of Business through the Closing Date in accordance with the past practices and customs of Seller in filing Tax Returns.

(h) No claim has ever been made by an authority in a jurisdiction where a Seller does not file Tax Returns that it is or may be subject to taxation by that jurisdiction.

(i) There are no Tax-related Liens against any of the Acquired Assets.

(j) Buyer has been provided with true and complete copies of all Tax Returns, audit reports, statements of deficiencies, and examination reports of Seller for taxable periods beginning after December 31, 2014.

3.10 Intellectual Property.

(a) Except as set forth on Section 3.10 of the Disclosure Schedule, Seller does not own any patents, patent applications, registered or unregistered trademarks, and registered or unregistered copyrights, nor have Seller ever owned any patents, patent applications, registered or unregistered trademarks, and registered or unregistered copyrights. The manner in which the Seller uses the Acquired Assets, including the Intellectual Property included in the Acquired Assets, in the Business does not violate or infringe the patent, trademark, copyright, trade secret or other intellectual property or other proprietary rights of any Person. All Intellectual Property necessary for the operation of the Business is owned by Seller or is licensed by Seller under license agreements to be assigned to Buyer and, except as set forth on Section 3.10 of the Disclosure Schedule, all such Intellectual Property will be available to Buyer immediately after the Closing on substantially the same terms and conditions to those under which Seller owned or used such Intellectual Property immediately prior to the Closing.

(b) Except as set forth on Section 3.10 of the Disclosure Schedule, no claim has been asserted and, to the Knowledge of Seller, no claim has been threatened by any Person (1) against the use by Seller of any of the Acquired Assets or any Intellectual Property included in the Acquired Assets; (2) against Seller claiming infringement upon or misappropriation or violation of any Intellectual Property or other proprietary rights of third parties as a result of the use of the Acquired Assets or the operation by Seller of the Business as presently conducted; or (3) challenging the ownership, validity or enforceability of any of the Acquired Assets or any Intellectual Property included in the Acquired Assets.

(c) Except as otherwise disclosed on Section 3.10 of the Disclosure Schedule, (1) neither the Seller, nor to the Knowledge of Seller, any other party thereto, is in default of any material obligation under any license or similar agreement relating to the Acquired Assets or the Intellectual Property included in the Acquired Assets; (2) Seller has not

(d) Seller has taken reasonable steps to protect Seller's rights in Seller's proprietary and/or confidential information and trade secrets or any trade secrets or confidential information of third parties provided to Seller used or useful in the Business. All trade secrets and other confidential information of Seller used or useful in the Business are owned by Seller, are not part of the public domain nor, to the Knowledge of Seller, have they been misappropriated by any Person having an obligation to maintain such trade secrets or other confidential information in confidence for Seller. To the Knowledge of Seller, no employee or consultant of Seller has improperly used or misappropriated any trade secrets or other confidential information of any other person in the course of their work for Seller nor is Seller making unlawful use of any confidential information or trade secrets of any past or present employees of Seller.

(e) Seller has implemented policies relating to the collection, use, storage, processing, transfer, disclosure and protection of Personal Data, including publicly available written privacy policies per brand and written information security policies (collectively, "Privacy and Data Security Policies"), and Seller is in compliance in all material respects with such Privacy and Data Security Policies. Neither the execution, delivery or performance of this Agreement, nor the consummation of any of the transactions contemplated hereby will violate (i) the Privacy and Data Security Policies; (ii) Applicable Laws or other requirements of any Governmental Authority pertaining to the collection, storage, use, disclosure and transfer of Personal Data, data protection and e-commerce; or (iii) any Contracts between Seller and vendors, marketing affiliates, distributors, and all other customers and business partners that are applicable to the use and disclosure of Personal Data. Seller has commercially reasonable safeguards in place to protect Personal Data in its possession or control from unauthorized access by third parties, including Seller's employees and contractors. There has been no unauthorized access, use or disclosure of Personal Data in the possession or control of Seller, and, to the Knowledge of Seller, in the possession or control of any contractors of Seller.

(f) The computer software, hardware, firmware, servers, networks and related systems (collectively, "Computer Systems") used by Seller are sufficient for the current needs of the Business, and, in the last twelve (12) months, there have been no material failures, crashes or other adverse events affecting the Computer Systems.

3.11 Compliance with Laws; Permits. During the past three years, Seller has complied in all material respects, and is currently in material compliance, with all laws, statutes, orders, rules, regulations, policies or guidelines promulgated, and judgments, decisions or orders entered, by any Governmental Authority applicable to Seller, the Business, and the Acquired Assets (collectively, "Applicable Laws"). All approvals, permits, consents and licenses, if any, of all Governmental Authorities that are necessary to permit Seller to carry on the Business as currently conducted (collectively, "Permits") have been obtained and are in full force and

effect. There has been no violation, cancellation, revocation or default of any Permit. All such Permits are set forth on Section 3.11 of the Disclosure Schedule. As of the date hereof, Seller has not received any notice of, and to the Knowledge of Seller, Seller is not under investigation with respect to, any violation of, or any obligation to take remedial action under, any Applicable Laws or Permits.

3.12 Employee Benefit Plans.

(a) Except for the plans or arrangements listed on Section 3.12(a) of the Disclosure Schedule (hereinafter referred collectively to as the “Employee Benefit Plans” and individually as an “Employee Benefit Plan”), Seller does not, directly or indirectly, maintain, sponsor or have an obligation or liability with respect to, any employee benefit plan, fringe benefit, equity compensation, executive or deferred compensation, or incentive plan, bonus or severance arrangement, employment contract, collective bargaining agreement, union contract, deferred compensation agreement, stock purchase or incentive plan or arrangement, or other employee benefit plan or arrangement. To the Knowledge of Seller, each Employee Benefit Plan is in compliance in all material respects with all Applicable Laws, and is being administered and operated in all material respects in accordance with its terms. Full payment has been made, or otherwise properly accrued on the books and records of Seller, of all amounts that Seller is required under the terms of the Employee Benefit Plans to have paid as contributions to such Employee Benefit Plans on or prior to the date hereof (excluding any amounts not yet due). Notwithstanding any limitations on the representations and warranties set forth in this Section, the Seller Parties acknowledge and agree that they are solely responsible for any and all errors, omissions, claims, liabilities, disputes, Damages or other obligations arising from or relating to the Employee Benefit Plan of Seller.

(b) Section 3.12(b) of the Disclosure Schedule contains a list of the current employees of the Business and the total salary, bonus payments and commissions received in the calendar year ended December 31, 2016 by each such employee. All of the employees of the Business will be fully paid through the Closing Date, and, other than as specifically set forth on Section 3.12(b) of the Disclosure Schedule, there shall be no unpaid or unaccrued for salary compensation, bonus, or any other salary-based employee benefit due and owing to any employee of Seller.

(c) There is no employment-related charge, complaint, grievance, investigation or inquiry pending or, to the Knowledge of Seller, threatened, in any forum, relating to an alleged violation or breach by Seller of any Applicable Law.

(d) Seller is not a party to any collective bargaining or other labor agreements with respect to the employees of the Business, nor has Seller ever been a party to any collective bargaining or other labor agreements with respect to the employees of the Business. (a) Notwithstanding anything contained in this Agreement to the contrary, no Buyer Indemnified Party shall be entitled to indemnification hereunder with respect to any Buyer's Indemnifiable Claim pursuant to Section 7.2(a)(i) unless the aggregate amount of Buyer's Damages with respect to all of Buyer's Indemnifiable Claims pursuant to Section 7.2(a)(i) exceeds \$50,000 (the "Deductible Amount"), in which event the indemnity provided for in Section 7.2(a)(i) for Buyer's Indemnifiable Claims shall apply, subject to the other provisions of this Section 7.3, to all such Damages that exceed the Deductible Amount for Buyer's Indemnifiable Claims.

(b) Notwithstanding Section 7.3(c) or anything contained in this Agreement to the contrary, the maximum aggregate amount to which any Buyer Indemnified Party is entitled with respect to Buyer's Indemnifiable Claims pursuant to Section 7.2(a)(i) shall be an amount equal to 50% of the Cash Portion of the Purchase Price (the "Cap"); provided that the Cap shall not apply to breaches of Fundamental Representations, and neither the Deductible Amount nor the Cap shall apply to breaches resulting from intentional misrepresentation or fraud.

(c) Notwithstanding anything contained in this Agreement to the contrary, Seller's aggregate indemnification obligations under this Agreement, excluding Damages resulting from fraud, intentional misconduct, or a breach of the restrictive covenants set forth in Sections 5.7 and 5.8, shall not exceed the Cash Portion of the Purchase Price actually remitted to Seller.

7.4 Exclusive Remedy. Except in connection with any claim arising from any intentional misrepresentation, any fraudulent act, fraudulent omission, or a breach of the restrictive covenants set forth in Sections 5.7 and 5.8 hereof, the rights of the parties for indemnification relating to this Agreement or the transactions contemplated hereby shall be strictly limited to those contained in this Article VII, and such indemnification rights shall be the exclusive remedies of the parties subsequent to the Closing with respect to any matter arising under or in connection with this Agreement.

7.5 Procedure for Indemnification with Respect to Third-Party Claims.

(a) If an Indemnified Party determines to seek indemnification under this Article VII with respect to Indemnifiable Claims (as used herein, the term "Indemnifiable Claims" shall refer to Buyer's Indemnifiable Claims or Seller's Indemnifiable Claims, as the case may be) resulting from the assertion of Liability by third parties, it shall give notice to the other party (the "Indemnifying Party") as soon as practicable after the Indemnified Party becomes aware of such Indemnifiable Claim or of facts upon which such Indemnifiable Claim will be based; provided that the failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder unless and only to the extent the Indemnifying Party shall be material prejudiced by such failure to so notify. The notice shall set forth such information with respect thereto as is then reasonably available to the Indemnified Party. If an Indemnified Party determines to seek indemnification under this Article VII with respect to Indemnifiable Claims resulting from the assertion of Liability by third parties, and the Indemnified Party notifies the Indemnifying Party thereof, the Indemnifying Party will be entitled, if it so

elects by written notice delivered to the Indemnified Party within twenty (20) days (or such shorter period of time as may be necessary not to adversely affect the interests of the Indemnified Party) after the Indemnified Party delivers such notice, to assume the defense thereof, in accordance with the limits set forth in this Agreement, with counsel reasonably satisfactory to the Indemnified Party; provided, however, that (i) the defense of such Indemnifiable Claim by the Indemnifying Party must not, in the reasonable judgment of the Indemnified Party, have a Material Adverse Effect on the Indemnified Party, (ii) the Indemnifiable Claim must seek (and continue to seek) solely monetary damages, (iii) the Indemnifying Party expressly agrees in writing that it will be liable for any Damages incurred by the Indemnified Party, subject only to the limitations set forth in this Article VII, and (vi) the Indemnifiable Claim is not expected to have an adverse effect on, or is likely to establish a precedential custom or practice adverse to, the continuing business, the business prospects or a Tax position of Seller or Buyer after the Closing Date or may in any material respect increase the Tax liability of Seller or Buyer after the Closing Date (the conditions set forth in clauses (i) through (iii) are, collectively, the “Litigation Conditions”). If (A) any of the Litigation Conditions cease to be met or (B) the Indemnifying Party fails to take reasonable steps necessary to defend diligently such Indemnifiable Claim, then the Indemnified Party may assume its own defense, and the Indemnifying Party will be liable for all reasonable costs or expenses paid or incurred in connection with such defense that are directly associated with obligations for which the Indemnified Party has a right of indemnification hereunder. The Indemnified Party has the right to settle any Indemnifiable Claim for monetary damages, the defense of which has not been assumed by the Indemnifying Party. The Indemnifying Party, if it has assumed the defense of any Indemnifiable Claim as provided in this Agreement, shall not agree to a settlement of any claim which (x) provides for any relief other than the payment of monetary damages, (y) does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party a complete release from all Liability in respect of such Indemnifiable Claim, or (z) may reasonably be expected to have a Material Adverse Effect on the Indemnified Party, in each case without the affected Indemnified Party’s prior written consent, which consent shall not be unreasonably withheld or delayed.

(b) Notwithstanding the foregoing, (i) the Indemnified Party shall also have the right to employ its own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party; (ii) the Indemnified Party shall not have any obligation to give any notice of any assertion of Liability by a third party unless such assertion is in writing; and (iii) the rights of the Indemnified Party to be indemnified hereunder in respect of Indemnifiable Claims resulting from the assertion of Liability by third parties shall not be adversely affected by its failure to give notice pursuant to the foregoing unless, and only to the extent that, the Indemnifying Party is materially prejudiced thereby. With respect to any assertion of Liability by a third party that results in an Indemnifiable Claim, the parties hereto shall make available to each other all relevant information in their possession material to any such assertion.

(c) If the Indemnifying Party, within twenty (20) days (or such shorter period as may be necessary so as not to adversely affect the interests of the Indemnified Party) after delivery of the aforesaid notice of an Indemnifiable Claim, fails to assume the

defense of the Indemnified Party against such Indemnifiable Claim, the Indemnified Party shall have the right to undertake the defense, compromise or settlement of such action on behalf of and for the account, risk and expense of the Indemnifying Party and all reasonable fees and expenses of such counsel, to the extent such fees and expenses directly relate to a claim for which the Indemnified Party has a right of indemnification hereunder, shall constitute Damages for all purposes hereunder; provided, however, that in the event the Indemnifying Party elects not to participate in the defense of the Indemnifiable Claim, it shall nevertheless have the right to participate in the defense of the same and, at its sole cost and expense, employ counsel of its own choosing.

7.6 Procedure for Indemnification with Respect to Non-Third-Party Claims. If an Indemnified Party asserts the existence of an Indemnifiable Claim (excluding claims resulting from the assertion of Liability by third parties), it shall give written notice to the Indemnifying Party specifying each provision of this Agreement under which the claim is made and the nature and amount of the claim (or a good faith estimated amount) asserted.

7.7 Materiality. Each of the representations and warranties that contain any “Material Adverse Effect,” “in all material respects” or other materiality (or correlative meaning) qualifications shall be deemed to have been given as though there were no “Material Adverse Effect,” “in all material respects” or other materiality (or correlative meaning) qualification for purposes of (a) determining whether a breach of any of Seller’ representations occurred, and (b) determining the amount of indemnifiable Damages caused by any such breach.

7.8 Right of Setoff. Buyer is hereby authorized, but not required, in its sole discretion and upon written notice thereof to Seller, to offset and reduce any amounts owing by Buyer to Seller under this Agreement (including, but not limited to the Seller Note), by any indemnification amounts determined in good faith to be due and owing by Seller to Buyer. The exercise of such right of setoff by Buyer in good faith, whether or not ultimately determined to be justified, will not constitute an event of default relating to such Buyer obligation (including but not limited to the Seller Note or any instrument securing the Seller Note). Neither the exercise of nor the failure to exercise such right of setoff will constitute an election of remedies or limit Buyer in any manner in the enforcement of any other remedies that may be available to it.

Nothing in this Section 8.2 shall affect the right of any party hereto to serve legal process in any other manner permitted by law.

8.3 Interpretation. When a reference is made in this Agreement to an Article or Section, such reference shall be to an Article or Section of this Agreement unless otherwise indicated. The headings and the table of contents contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. 8.5 Counterparts. This Agreement may be executed in any number of counterparts, each of which when executed, shall be deemed to be an original and all of which together will be deemed to be one and the same instrument binding upon all of the parties to this Agreement notwithstanding the fact that all parties are not signatory to the original or the same counterpart. A signed copy of this Agreement delivered by facsimile, e-mail in “portable document format” (“.pdf”) form or other means of electronic transmission intended to preserve the original graphic and pictorial appearance of a document shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement, and the parties agree to exchange original signatures as promptly as possible.

8.6 Entire Agreement. This Agreement (including the Exhibits and the Disclosure Schedule hereto) and the other documents contemplated hereby constitute the entire agreement between the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, between the parties with respect to such subject matter.

8.7 Binding Effect; Assignment. This Agreement and the various rights and obligations arising hereunder shall inure to the benefit of and be binding upon Owner, and its successors and permitted assigns, Seller, and its successors and permitted assigns, and Buyer, and its successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be transferred or assigned (by operation of law or otherwise) by any of the parties hereto without the prior written consent of the other parties hereto; provided, however, Buyer shall be permitted to assign its rights hereunder to (a) lenders providing financing for the transactions contemplated by this Agreement for collateral security purposes and (b) any of its Affiliates and to any purchaser of all or substantially all of its assets. Any transfer or assignment of any of the rights, interests or obligations hereunder in violation of the terms hereof shall be void and of no force or effect.

8.8 Waiver; Consent. This Agreement may not be changed, amended, terminated, augmented, rescinded or discharged (other than by performance), in whole or in part, except by a writing executed by the parties hereto, and no waiver of any of the provisions or conditions

of this Agreement or any of the rights of a party hereto shall be effective or binding unless such waiver shall be in writing and signed by the party claimed to have given or consented thereto. Except to the extent that a party hereto may have otherwise agreed in writing, no waiver by that party of any condition of this Agreement or breach by the other party of any of its obligations or representations hereunder or thereunder shall be deemed to be a waiver of any other condition or subsequent or prior breach of the same or any other obligation or representation by the other party, nor shall any forbearance by the first party to seek a remedy for any noncompliance or breach by the other party be deemed to be a waiver by the first party of its rights and remedies with respect to such noncompliance or breach.

8.9 Severability. With respect to any provision of this Agreement finally determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, Seller, Owner and Buyer hereby agree that such court shall have jurisdiction to reform such provision so that it is enforceable to the maximum extent permitted by law, and the parties agree to abide by such court's determination. In the event that any provision of this Agreement cannot be reformed, such provision shall be deemed to be severed from this Agreement, but every other provision of this Agreement shall remain in full force and effect.

8.10 Third-Party Beneficiaries. Except as otherwise provided in this Agreement, each party hereto intends that this Agreement shall not benefit or create any right or cause of action in or on behalf of any Person other than the parties to this Agreement.

8.11 Prevailing Party. If any litigation or other court action, arbitration or similar adjudicatory proceeding is commenced by any party hereto to enforce its rights under this Agreement against any other party, all fees, costs and expenses, including reasonable attorneys' fees and court costs, incurred by the substantially prevailing party in such litigation, action, arbitration or proceeding shall be reimbursed by the other party as determined by a final, non-appealable judgment or order by a court of competent jurisdiction; provided, that if a party to such litigation, action, arbitration or proceeding prevails in part, and loses in part, the court, arbitrator or other adjudicator presiding over such litigation, action, arbitration or proceeding shall award a reimbursement of the fees, costs and expenses incurred by such party on an equitable basis.

8.12 Arm's Length Negotiations; Drafting. Each party to this Agreement in this Agreement expressly represents and warrants to all other parties hereto that before executing this Agreement, said party has fully informed itself of the terms, contents, conditions and effects of this Agreement; said party has relied solely and completely upon its own judgment in executing this Agreement; said party has had the opportunity to seek and has obtained the advice of counsel before executing this Agreement, which is the result of arm's length negotiations conducted by and among the parties to this Agreement and their respective counsel. This Agreement shall be deemed drafted jointly by the parties to this Agreement, and nothing shall be construed against one party or another as the drafting party.

8.13 Seller Representative.

(a) Seller and Owner hereby appoints, authorizes, and directs Damti (the "Seller Representative") as his or its sole and exclusive agent, attorney in fact and representative for and on behalf of parties, with full power of substitution with respect to

all matters under this Agreement, including without limitation, (i) the right to give and receive notices and communications hereunder, (ii) to agree to, negotiate and to enter into settlements and compromises related hereto, (iii) to receive, calculate and distribute any amounts required hereunder, (iv) to engage and employ agents and representatives, (v) to comply with orders of courts with respect to such claims, (vi) to take all other actions that (A) are either necessary or appropriate in the sole judgment of the Seller Representative for the accomplishment of the foregoing or (B) are in the sole judgment of the Seller Representative specifically mandated or contemplated by the terms of this Agreement, and (vii) to incur such other expenses as Seller Representative shall deem necessary or prudent in connection with the foregoing; provided, however, that the Seller Representative shall not have any authority to enter into amendments of this Agreement or, except in the case of a breach of a representation or warranty by a particular Seller, to take any action which adversely affects an Owner disproportionately to any other Owner. No bond shall be required of the Seller Representative, and the Seller Representative shall not receive compensation for his services. Notices or communications to or from the Seller Representative shall constitute notice to or from the Seller and Owners. The appointment of the Seller Representative as Seller's and each Owner's attorney in fact revokes as of the date of this Agreement any power of attorney heretofore granted that authorized any other person or persons to represent such Seller or Owner with regard to this Agreement.

(b) The appointment of Seller Representative as attorney in fact pursuant hereto is coupled with an interest and is irrevocable. The appointment of Seller Representative by Seller and each Owner pursuant to this Agreement (i) will not be terminated by operation of Law, death, mental or physical incapacity, liquidation, dissolution, bankruptcy, insolvency or similar event with respect to Seller or such Owner or any proceeding in connection therewith, or in the case of a trust, by the death of any trustee or trustees or the termination of such trust, or any other event, and (ii) shall survive the delivery of an assignment by Seller or such Owner of the whole or any fraction of his interest in any payment due to him under this Agreement.

(c) The Seller Representative hereby accepts the foregoing appointment and agrees to serve as Seller Representative, subject to the provisions hereof, for the period of time from and after the date hereof without compensation except for the reimbursement from the Seller or Owners of fees and expenses incurred by Seller Representative in his capacity as such.

(d) The Seller Representative shall act for the Seller and Owners on all of the matters set forth in this Agreement in the manner the Seller Representative believes to be in the best interest of the Seller and Owners and is authorized to act on behalf of the Seller and Owners notwithstanding any dispute or disagreement between Seller and/or Owners. The Seller Representative shall not be liable for any act done or omitted hereunder as the Seller Representative while acting in good faith and in the exercise of reasonable judgment. The Seller and Owners shall indemnify and hold the Seller Representative harmless from and against any loss, liability or expense incurred without negligence or bad faith on the part of the Seller Representative and arising out of or in connection with the acceptance or administration of the Seller Representative's duties

hereunder, including the reasonable fees and expenses of any legal counsel retained by the Seller Representative.

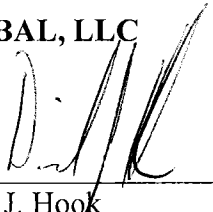

(e) Subject to subsection (a) above, a decision, act, consent or instruction of the Seller Representative pursuant to this Agreement shall constitute a decision, act, consent or instruction of the Seller and Owners and shall be final, binding and conclusive upon the Seller and Owners, and the Buyer Indemnified Parties may rely upon any such decision, act, consent or instruction of the Seller Representative as being the decision, act, consent or instruction of the Seller and Owners. The Buyer Indemnified Parties are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of the Seller Representative. The rights, powers and benefits of the Seller Representative under this Agreement shall survive any termination of this Agreement.
